DEDICATION

Audrey Arndt has worked for the school for many years, and she has been appreciated for many years. Probably the hardest working person in school, she does her best to make our tasks easier. Her many jobs include school secretary, college correspondent, book store operator, devoted fan and a real friend. These are just a few of the tasks which make her our "right arm."

Audrey Arndt is the woman behind every one of our men, and the mere dedication of a book is only a small way of showing our appreciation for her efforts and interest.

FOOTBALL

The 1959 football season could be termed a moderate surprise, for the Cougars were lacking in both size and depth. However, as the record of seven wins and one tie indicates, the team was able to overcome these handicaps with desire and experience.

After ten days of intense preparation at football camp, the Cougars showed their power by trouncing Lake Forest 39 to 6. After a busy weekend, we managed a 26 to 12 victory over St. Louis. The Cougars again showed their strength by whipping Wisconsin Lutheran (23 to 0) and Wayland (21 to 7) on successive Saturdays. The next week the Dayites were plagued with over-confidence and thus barely managed to tie a tough Racine Lutheran team (7 to 7). This setback provoked the Cougars to retaliate against Northwestern Preps (27 to 0) in a cold, wet mud-bath. Milwaukee Lutheran also fell by a 25 to 0 score.

This set the stage for the Conference Championship duel with arch-rival M.U.S. In a hard-fought game the team was able to dominate play and subsequently pull a glorious 8 to 0 victory for the second straight year. This once more placed the gold Conference Championship Trophy in Country Day's possession.
